In addition, we receive compensation from sellers when customers use the American Express Card or other American Express products to purchase their products and services. From time to time we enter into other business relationships with sellers and these arrangements, including levels and types of compensation and incentives we receive, are subject to change. In identifying sellers and recommending itineraries, we also consider a number of factors, including seller availability and other references. The relationships we have with sellers also influence the sellers we identify and the itineraries we recommend.
